Uni 101 Hoax/Misconception Talk Peer Review

Please answer the following questions for your peer. Remember, you're trying to help them improve their public speaking, so don't *only* give kudos, give them helpful suggestions for what you think might make their talk even better.

This form is due to John the next class after the talks.

1.	How did the speaker do on addressing the assignment of the talk? (Consult the assignment of you need to.) Did they stay focused on the task or do you feel like
•	How was the background to the talk? Did it inform you sufficiently of the hoax, or do you feel like some
۷,	pieces of useful information would have helped?
3.	How about the "Why it's wrong?" In particular, do you feel like the clues that they discussed were things you as a non-expert would have been able to pick up on? Do you feel more aware of those kinds of clues now?

4.	ow was the style? Was the talk engaging and easy to follow or were parts a bit difficult to unders	tand?
5.	That one piece of advice would you give the speaker for improving? (Note: advice to the effect eep it up," is not really very helpful and will not be regarded as having addressed this point.)	ive of
6.	hat was your favorite part of the talk? What technique would you most like to use yourself some	etime'
